PERSONALS.

Persons in town having visitors or any other item they would like in this column would confer a favor if they would inform this office. The town is not very large, but one hand can't get all over it every day and run a newspaper.

Prof. G. W. Short, of Rosine, was in town Saturday and Sunday.

Capt. Sam E. Hill, is here and will remain until after the coming term of Circuit Court.

Mrs. Georgia Bentley, of Rockport, was in town this week guest of Mrs. S. W. Anderson, and left for home yesterday.

Mr. M. S. Bagland, of Rosine, one of the leading merchants of the county, was in town last Wednesday. He called to see us and complimented the HERALD by paying for some job work and advertising and for the HERALD a year in advance.

Miss Mollie Lawton, the renowned lecturer on a recent visit to Warren and Barren counties, secured some beautiful specimens from the Mammoth Cave, which she has contributed to our museum. Those who have not heard Miss Lawton, where an opportunity affords could not spend an hour or so more pleasantly.

Words cannot express the deep sympathy we feel for our true and tried friend A. J. Maples in his affliction caused by the severe illness of his son Marion. Hope he may be much better soon.

In our last issue, giving an account of the marriage of Mr. Tabor to Miss Pirtle we made a mistake in the name of the clergyman who performed the ceremony. It was Rev. R. D. Bennett who tied the silken cord.

Mr. Thomas Newcomb, of Clear Run neighborhood, lost his infant daughter, Mary R., aged two months and one day. She died last Saturday, her mother having preceded her only two weeks before. Death has made sad ravages in Mr. Newcomb's family. He has lost two wives and two daughters in the last six years.

Mr. William M. Hunter, of Smallhous, has a stray Poland-China bear black with few white spots on him, about two and one-half years old, weighing about four hundred pounds and marked swallow fork in left ear. —Linen dusters 75c and up; linen coats, 50c and up; alpaca and garland coats at Z. A. Rosenberg's.

—Miss Sallie Coppage has sent us some fine specimens of white corn, raised on her father's farm. Thanks for this and other favors.

—Thomas Tilford, Esq., of Rockport, Ky., has taken charge of the eating and sleeping department of Sherrod's saloon and restaurant. He solicits a share of the patronage.

—Thomas & Kimbley, druggists, Hartford, Ky., are headquarters for all of the test make of clocks. Go at once and get you a correct time keeper, and thus enable yourself to be on time.

—I have a brand new farm wagon that I wish to exchange for a good harness horse, and a lot of new wagons and buggies, for sale cheap for cash or exchange for corn and oats. W. C. King.

—The members of the convention at the court house on Saturday last, just before adjourning, passed a unanimous resolution to hereafter buy all of their goods at Anderson's Bazaar.

—Thomas & Kimbley have a complete line of all classes of goods ever kept in a retail drug store and sell the same as low as any first class druggists in the county will. Go and see them and you will find this to be true.

—An anomaly in nature can be seen at this office. It is a chicken with four well developed legs. One of the feet has four toes, two have five and the other six. We are indebted to L. S. Smith, Esq., of Centertown district, for this curiosity.

—The little town of Beda will succeed well if her citizens keep on in the present path. They have a Sunday school there in a flourishing condition with 109 registered scholars, and have only been organized for the season for three weeks past.

—E. L. Sullenger's livery stable was full Monday and is so on all public days. The reason is he cares for his customers' horses as it should be done. Every horse left with him receives proper attention and is well fed on the best grain and hay that the country affords. Leave your horses with him and be convinced that every word we have said is true.

—Oh, yes! bring on your grain. We are grinding every day of the week except Saturday, which is sharpening day. The mill is in excellent condition and doing splendid work. We have secured the services of that experienced carder, W. T. Johnson, who is now putting the cards in first class order and will be prepared to card your wool by May 15th.

—John R. & Wm. Phillips, Proprietors Hartford Water Mill.

—Samuel Morton, Esq., of Centertown presented us a coin manufactured in the year 1846, resembling in size and appearance a three-cent piece that passed for fifty cents in currency in Louis Philippe I reign. He also gave us a curious growth from the neck of a duck. It seems to be a combination of a part of the wind-pipe and its bread-basket. It is almost as transparent as the purest mica.

—Married, Tuesday, May 1st, 1883, by Rev. John T. Casabier, at the residence of the bride, near Ceralvo, Judge E. V. Kimbley to Mrs. Elizabeth Dexter. —L. R. Becker is doing all kinds of wood work for nothing and giving a nice chronicle with each job to boot. Call at his shop, and if the terms don't suit he will give you a further discount.

—George Mischel of Mischel Bros., dealers in marble, monuments, tombstones, &c., called on us last week. Mr. Mischel has taken several orders from our citizens, and those executed give entire satisfaction. The firm is a reliable one and in prices they are very reasonable.

—We had a call from Uncle Wm. Bryant last Saturday. He is 73 years old, never took a chew of tobacco, smoked a cigar or pipe or drank a drink of alcoholic liquors in his life. He never was arrested or sued in his life, and never served on a jury in the Court house. Is there another such a man in the world.

—The crowds around the Exchange Store increases, daily, more and more; and as they leave, you see them smile. For they have bought the latest style. They all so truly satisfied. Because their wants were well supplied; Because they were homebound went. Because their money was well spent. TROOP CITIZENS' EXCHANGE EMPORIUM, CROMWELL, KY.

—The Agency of the Slinger Sewing Machine Company in this place, are selling machines faster than the Company can supply them. They had to go to Beaver Dam last week to get a lot as soon as they arrived there to supply orders then waiting. The reason is obvious. The Slinger is an excellent machine. Mr. Steele, the agent here, is the right man in the right place and hence the Slinger goes off like hot cakes.

—Isam Lee, of this county, came to town last Monday and on the way, he accompanied to his neighbor who accompanied him, that money matter with him were so close that he would not like to be tempted by the finding of a pocket book of money. While in town moving around, sure enough, he found a pocket book containing \$100. The temptation was great, but seeing from papers in it that it belonged to Thomas L. Allen, he hunted him up and gave it to him. He says that for years he has been buying his goods at Anderson's Bazaar and that the influence for fair dealing and honesty exerted over him by this one price, square measure and honest count house, enabled him to withstand the temptation.

—Sam Pendleton, of color, of this place, went down to Livermore last week on a raft of logs. While there he got too much taurantula Juice aboard and went into the bar-room of the Field's House and insisted on a game with the vendor of the ardent. The vendor declined at first, but Sam was persistent and the dealer in "tods" soon had \$1.50 of the darkey's money. This enraged Sam, and he had a knife, which he opened and had handle sticking out of his pocket ready for a muss. The bar-keeper saw this and ordered Sam out, and hurried him up by shattering a bar glass over his head. Sam was insensible for a while, but was recovering at last accounts. This is about the substance of what we heard.

—I have made sufficient experiments of Colden's Liquid Beef Tonic to enable me to say it is by far the best of all the preparations of the kind (food and tonic) that I have ever used.
